FYI – sounds like a great local kid and willing to work for free. The Port's internship program is over and maybe we could use him for a couple of months this summer at the PBID?

Hi Tony & Augie.

Probably too late for consideration – but please see the attached resume of one of our College Bound participants who will be a senior next year. Great student and person – wants to be a Civil or Structural Engineer. Any chance you can use him for an unpaid “internship”???

Mike

Subject: Summer Internship request for Andres-Port of LA internship

Hello Mike:

Wanted to send Andres's resume again and follow up. Do you mind emailing it to your Port of LA contact. He is a smart, hard-working, motivated, and humble young man. He truly wants the experience and exposure. Wants an internship opportunity if possible. Thank you.
